posted. If practical before issuance of a formal amendment of the invitation, the determination shall be otherwise communicated to prospective bidders who are likely to attend the scheduled bid opening.

(c) In the case of paragraph (a)(2) of this section, and when urgent Government requirements preclude amendment of the solicitation as prescribed in 14.208, the time specified for opening of bids will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume. In such cases, the time of actual bid opening shall be deemed to be the time set for bid opening for the purpose of determining "late bids" under 14.304. A note should be made on the abstract of bids or otherwise added to the file explaining the circumstances of the postponement.

14.403 Recording of bids.

(a) Standard Form 1409, Abstract of Offers, or Optional Form 1419, Abstract of Offers—Construction (or automated equivalent), shall be completed and certified as to its accuracy by the bid opening officer as soon after bid opening as practicable. Where bid items are too numerous to warrant complete recording of all bids, abstract entries for individual bids may be limited to item numbers and bid prices. In preparing these forms, the extra columns and SF 1410, Abstract of Offers—Continuation, and OF 1419A, Abstract of Offers—Construction, Continuation Sheet, may be used to label and record such information as the contracting activity deems necessary.

(b) Abstracts of offers for unclassified acquisitions shall be available for public inspection. Such abstracts shall not contain information regarding failure to meet minimum standards of responsibility, apparent collusion of bidders, or other notations properly exempt from disclosure to the public in accordance with agency regulations implementing subpart 24.2.

(c) The forms identified in paragraph (a) of this section need not be used by the Defense Energy Support Center for

acquisitions of coal or petroleum products or by the Defense Supply Center Philadelphia for perishable subsistence items.

(d) If an invitation for bids is cancelled before the time set for bid opening, this fact shall be recorded together with a statement of the number of bids invited and the number of bids received.

14.404 Rejection of bids.

14.404-1 Cancellation of invitations after opening.

(a)(1) Preservation of the integrity of the competitive bid system dictates that, after bids have been opened, award must be made to that responsible bidder who submitted the lowest responsive bid, unless there is a compelling reason to reject all bids and cancel the invitation.

(2) Every effort shall be made to anticipate changes in a requirement before the date of opening and to notify all prospective bidders of any resulting modification or cancellation. This will permit bidders to change their bids and prevent unnecessary exposure of bid prices.

(3) As a general rule, after the opening of bids, an invitation should not be cancelled and resolicited due solely to increased requirements for the items being acquired. Award should be made on the initial invitation for bids and the additional quantity should be treated as a new acquisition.

(b) When it is determined before award but after opening that the requirements of 11.201 (relating to the availability and identification of specifications) have not been met, the invitation shall be cancelled.

(c) Invitations may be cancelled and all bids rejected before award but after opening when, consistent with paragraph (a)(1) above, the agency head determines in writing that—

(1) Inadequate or ambiguous specifications were cited in the invitation;

(2) Specifications have been revised;

(3) The supplies or services being contracted for are no longer required;
